BRUMMEL

NEW EGO COLLECTION TABLES

With many years of experience in the production of high-end kitchens, Brummel has always valued a piece of furniture like the table. First as an essential element to complement the kitchen and then, with the development of their projects as part of a high-class total living, also for other areas of the house and living situations.

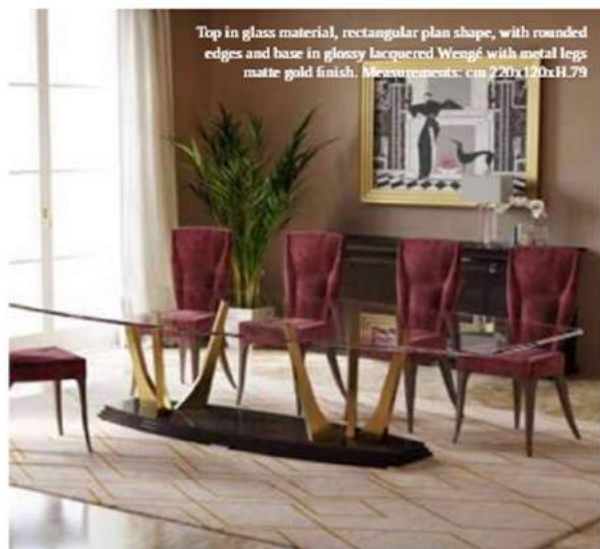

The tables of the EGO collection point of a search of precious materials such as wood Wengé, Ebony Makassar, Rosewood, Walnut and impeccable finishes such as lacquers, inlays and inserts of other materials as well as a unique design, important and recognizable.
