**Brummel** invites elegance with this marble island, juxtaposing beautiful columns, bas relief and antique golden lacquered leaf with practical components such as an extractable bottle rack

Add flair to cocktail hour at home with the artisanal **Giorgetti** Moore bar cabinet in solid maple with tempered crystal glass shelves, saddle leather drawer and LED lights with sensors

**Dogale** adorns the kitchen with glints of light and colour from the Fenice collection of decorative bowls, the flowing circular strokes proving that simple is hardest to do

Demanding pride of place is the **La Cornue** Château 150 Lex Pott edition, a cooking range with two vaulted ovens whose solid brass face has been transformed into oxidised textures of electric blue
